Office of General Counsel

1. This will acknowledge receipt of your memorandum of 30 September 1953 requesting the opinion of this office as to whether [REDACTED] may be brought from her home in [REDACTED] California, to Washington, D. C., and return, at Government expense in order to have her assessed psychologically.

2. It is within the authority of any Area Division to order an employee from one place to another on temporary duty in connection with Agency affairs. If, as is evidently the case, the Division regards her presence in Washington as necessary for the transaction of Agency business, this office perceives no objection to her travel at Government expense on temporary duty orders.
